ISO 12103-1:2024-01 (E)

Road vehicles - Test contaminants for filter evaluation - Part 1: Arizona test dust

Contents

Page

Foreword iv

Introduction v

1 Scope 1

2 Normative references 1

3 Terms and definitions 1

4 Test dust description 1

5 Test dust designation 2

6 Particle size distribution 2

7 Chemical composition 2
7.1 Typical chemical content of ISO specified Arizona test dusts 2
7.2 Chemical analysis methodology -- X-ray fluorescence analysis (XRF) 3

Annex A (normative) Analysis equipment and operating procedure 4

Annex B (informative) History of Arizona test dust 8

Annex C (informative) Handling and preparation 10
