

ISO 12103-1:2024-01 (E)

Road vehicles - Test contaminants for filter evaluation - Part 1: Arizona test dust

Contents		Page
Foreword		iv
Introduction		v
1	Scope	1
2	Normative references	1
3	Terms and definitions	1
4	Test dust description	1
5	Test dust designation	2
6	Particle size distribution	2
7	Chemical composition	2
7.1	Typical chemical content of ISO specified Arizona test dusts	2
7.2	Chemical analysis methodology -- X-ray fluorescence analysis (XRF)	3
Annex A (normative) Analysis equipment and operating procedure		4
Annex B (informative) History of Arizona test dust		8
Annex C (informative) Handling and preparation		10
Bibliography		15
