

ISO 12103-1:2024-01 (E)

Road vehicles - Test contaminants for filter evaluation - Part 1: Arizona test dust

Contents		Page
Foreword		iv
Introduction		v
1 Scope		1
2 Normative references		1
3 Terms and definitions		1
4 Test dust description		1
5 Test dust designation		2
6 Particle size distribution		2
7 Chemical composition		2
7.1 Typical chemical content of ISO specified Arizona test dusts		2
7.2 Chemical analysis methodology -- X-ray fluorescence analysis (XRF)		3
Annex A (normative) Analysis equipment and operating procedure		4
Annex B (informative) History of Arizona test dust		8
Annex C (informative) Handling and preparation		10
Bibliography		15
