ISO 8349:2002-04 (E)

Road vehicles - Measurement of road surface friction

Contents

Page

Foreword iv

Introduction v

1 Scope 1

2 Normative references 1

3 Terms and definitions 2

4 Summary of test methods 2

5 Pavement characteristics and surface conditions 3

6 Constant-speed, transient braking force method 4

7 Constant-speed, constant-braking slip method 10

8 Constant-speed, fixed-braking slip method 16

Annex A (normative) Reference tyre specifications 22

Annex B (normative) Calibration method 27

Annex C (informative) Measurement on wet surfaces 28

Bibliography 29
