## Road vehicles - Measurement of road surface friction

---

<b>Contents</b>		<b>Page</b>
Foreword .....		iv
Introduction .....		v
1	Scope .....	1
2	Normative references .....	1
3	Terms and definitions .....	2
4	Summary of test methods .....	2
5	Pavement characteristics and surface conditions .....	3
6	Constant-speed, transient braking force method .....	4
7	Constant-speed, constant-braking slip method .....	10
8	Constant-speed, fixed-braking slip method .....	16
Annex A (normative) Reference tyre specifications .....		22
Annex B (normative) Calibration method .....		27
Annex C (informative) Measurement on wet surfaces .....		28
Bibliography .....		29
