

ISO 8349:2002-04 (E)

Road vehicles - Measurement of road surface friction

Contents		Page
Foreword		iv
Introduction		v
1 Scope		1
2 Normative references		1
3 Terms and definitions		2
4 Summary of test methods		2
5 Pavement characteristics and surface conditions		3
6 Constant-speed, transient braking force method		4
7 Constant-speed, constant-braking slip method		10
8 Constant-speed, fixed-braking slip method		16
Annex A (normative) Reference tyre specifications		22
Annex B (normative) Calibration method		27
Annex C (informative) Measurement on wet surfaces		28
Bibliography		29
