| Foreword .....  |  | 3           |
| 1   | Scope .....  | 4           |
| 2   | Normative references .....                               | 4           |
| 3   | Definitions .....  | 4           |
| 4   | Principle .....  | 6           |
| 5   | Choice of method for determination of formaldehyde ..... | 6           |
| 6   | Apparatus .....  | 6           |
| 7   | Reagents .....   | 8           |
| 8   | Preparation of specimens .....                           | 8           |
| 9   | Procedure .....  | 9           |
| 10  | Expression of results .....                              | 10          |
| 11  | Precision .....  | 11          |
| 12  | Test report .....  | 11          |
| Annex A (normative) Preparation of specimens from paints, varnishes and similar coating materials ..... |  | 12          |
| Annex B (normative) Preparation of specimens from melamine foams .....                                  |  | 13          |
| Annex C (informative) Explanatory notes .....   |  | 14          |
