Foreword iv

Introduction v

1 Scope 1

2 Normative references 1

3 Terms and definitions 1

4 How to develop a specification for new work or maintenance 3

5 of a specification 4
5.1 Supply 4

Annex A (informative) Basic information for inclusion in a protective paint system specification for new work and maintenance 12

Annex B (informative) Reference areas 14

Annex C (informative) Flow chart for planning new work 17

Annex D (informative) Flow chart for planning maintenance work 19

Annex F (informative) Recommended form for a protective paint system specification -- New work 22

Annex G (informative) Recommended form for a protective paint system specification -- Maintenance 23

Annex H (informative) Recommended form for a report on paint work progress and application conditions 25

Annex I (informative) Recommended form for final report on corrosion protection work 27

Annex J (informative) Recommended form for a detailed inspection report on the condition of an existing protective paint system, including the assessment of the need for maintenance 30
