# ISO 23497:2019 (E)

## Determination of pH value — Technical buffer solutions for the calibration of technical measuring installations

# Contents

Foreword

1 Scope

2 Normative references

3 Terms and definitions

4 pH values and buffer capacities of technical buffer solutions

- 4.1 General
- 4.2 Measurement of the pH values of technical buffer solutions
- 4.3 Measurement of the buffer capacity

Annex A (informative) Examples of technical buffer solutions
