ISO 20567-4:2023-03 (E)

Paints and varnishes - Determination of stone-chip resistance of coatings - Part 4: Mobile multi-impact testing on a small testing area

Contents

Page

Foreword iv

Introduction v

1 Scope 1

2 Normative references 1

3 Termsanddefinitions 1

4 Principle 1

5 Apparatus and test equipment 2
5.1 Stone-chip resistance tester 2
5.2 Consumables 5
5.2.1 Chilled-iron grit 5

6 Apparatus functional test 6

7 Procedure 6

8 Evaluation 7

9 Test report 8

Annex A (normative) Pictorial reference standards for evaluating stone-chip resistance 9

Annex B (informative) Examples of suitable methods for removing loose coating 10

Bibliography 11
