# DIN EN 13036-1:2010-10 (E)

## Road and airfield surface characteristics - Test methods - Part 1: Measurement of pavement sur face macrotexture depth using a volumetric patch technique

## Contents

Page

Foreword ..... 3

Introduction ..... 4

1 Scope ..... 5

2 Normative references ..... 5

3 Test method ..... 5

4 Material and apparatus ..... 5

5 Procedure ..... 7
5.1 Test surface ..... 7
5.2 Material sample ..... 7
5.3 Determination ..... 7
5.4 Number of test measurements ..... 8

6 Calculation of surface mean texture depth ..... 8

7 Safety considerations ..... 8

8 Test report ..... 8

9 Precision of the method ..... 9

Annex A (informative) ..... 10

Bibliography ..... 11
