

# DIN EN 13036-1:2010-10 (E)

## Road and airfield surface characteristics - Test methods - Part 1: Measurement of pavement surface macrotexture depth using a volumetric patch technique

---

<b>Contents</b>		<b>Page</b>
Foreword .....		3
Introduction .....		4
1	Scope .....	5
2	Normative references .....	5
3	Test method .....	5
4	Material and apparatus .....	5
5	Procedure .....	7
5.1	Test surface .....	7
5.2	Material sample .....	7
5.3	Determination .....	7
5.4	Number of test measurements .....	8
6	Calculation of surface mean texture depth .....	8
7	Safety considerations .....	8
8	Test report .....	8
9	Precision of the method .....	9
Annex A (informative) .....		10
