Foreword 3

1 Scope 4

2 Normative references 4

3 Terms and definitions 4
3.1 Definitions 4
3.2 Symbols and abbreviations 5
3.2.1 Symbols used in this part of the standard 5
3.2.2 Abbreviations used in this part of the standard 5

4 Requirements 5
4.1 General 5
4.2 Thermal resistance 5
4.3 Installed declared insulation thickness 5
4.4 Cavity fill 6

5 In-situ measurements 6
5.1 Installed declared insulation thickness 6
5.2 Width of cavities 6
5.3 Cavity fill 6

6 Installer's declaration 6
