Foreword .....		3
1	Scope .....	4
2	Normative references .....	4
3	Terms and definitions .....	4
4	Dimensional requirements .....	6
4.1	Method of measurement .....	6
4.1.1	Width, B, and height of flange, d .....	6
4.1.2	Length, H .....	6
4.1.3	Thickness, c .....	6
4.1.4	Flange deviation .....	6
4.1.5	Squareness of cut .....	7
4.1.6	Wire inlay .....	7
4.2	Tolerances .....	7
4.2.1	Width, B, height of flange, d, and thickness c .....	7
4.2.2	Length .....	7
4.2.3	Flange deviation .....	7
4.2.4	Squareness of cut .....	7
4.2.5	Wire inlay .....	7
5	Quality requirements .....	8
5.1	General .....	8
5.2	Methods of observation and measurement .....	8
5.2.1	Visual faults .....	8
5.2.2	Wire faults .....	8
5.3	Acceptance levels .....	9
5.3.1	Visual faults .....	9
5.3.2	Wire faults .....	9
6	Designation .....	9
