<b>Contents</b>	<b>Page</b>
Foreword .....	3
1 Scope .....	4
2 Normative references .....	4
3 Terms, definitions, symbols and abbreviations .....	4
3.1 Terms and definitions .....	4
3.2 Symbols and abbreviations .....	6
4 Requirements .....	6
4.1 General .....	6
4.2 Suitability of the building equipment or industrial installation for the installation of the product .....	6
5 In-situ measurements and calculations .....	6
5.1 Declared installed insulation thickness .....	6
5.2 Declared installed thermal resistance, RD .....	6
5.3 Foam quality checks carried out by the installer .....	7
6 Guidelines for installation .....	7
7 Installer's declaration .....	7
Annex A (normative) Method for the determination of the declared installed insulation thickness .....	8
Annex B (normative) Suitability of the building equipment or industrial installation to receive the insulation product .....	9
B.1 Building equipment or industrial installation .....	9
B.2 Site survey .....	9
Annex C (normative) Installation guidelines .....	10
C.1 General .....	10
C.2 Suitability of cavity .....	10
C.3 Dispensing machine preparation .....	10
C.3.1 General .....	10
C.3.2 Mixing ratio .....	10
C.4 Dispensing procedure .....	10
Bibliography .....	11
