

DIN CEN/TR 16639:2014-06 (E)

Use of k -value concept, equivalent concrete performance concept and equivalent performance of combinations concept; English version CEN/TR 16639:2014

| Contents | Page |
|--|------|
| Foreword..... | 3 |
| 0 Introduction | 4 |
| 0.1 General..... | 4 |
| 0.2 Task Group 5..... | 4 |
| 0.3 k -value concept..... | 4 |
| 0.4 ECPC and EPCC..... | 4 |
| 1 Scope | 5 |
| 2 k -value concept..... | 6 |
| 2.1 k -values in EN 206:2013 | 6 |
| 2.2 Use of k -values in the member states | 6 |
| 2.3 Procedure for using the k -value concept | 7 |
| 2.3.1 Principle of the k -value concept..... | 7 |
| 2.3.2 Method of calculation | 8 |
| 2.3.3 Example for determination of k | 10 |
| 2.3.4 Further recommendations for the application of the k -value..... | 12 |
| 2.3.5 Example for establishing a general concept using the k -value concept | 12 |
| 2.4 Application of k -value concept by the users | 14 |
| 2.4.1 General..... | 14 |
| 2.4.2 Example for concrete mix design applying the k -value concept..... | 14 |
| 3 Equivalent concrete performance concept (ECPC) | 15 |
| 3.1 General..... | 15 |
| 3.2 Dutch Method | 15 |
| 3.2.1 Definitions | 15 |
| 3.2.2 Procedure and criteria for assessment of durability aspects | 17 |
| 3.2.3 Test methods..... | 22 |
| 3.2.4 Quality assurance | 23 |
| 3.3 Recommendations for the application of ECPC | 24 |
| 3.4 Additional information to the use of the Dutch method | 25 |
| 4 Equivalent performance of combinations concept..... | 26 |
| 4.1 General..... | 26 |
| 4.2 UK method..... | 27 |
| 4.3 Irish method | 28 |
| 4.4 Portuguese method | 29 |
| 4.5 Recommendation for application of EPCC | 30 |
| 4.6 Additional information the UK method..... | 30 |
| 4.6.1 Annexes from BS 8500-2 relating to conformity control of combinations | 30 |
| 4.6.2 How this works when specifying concrete to BS 8500..... | 35 |
| 4.7 Additional information to the Irish method..... | 39 |
| 4.8 Additional information to the Portuguese method..... | 41 |
| Annex A (informative) Replies to the k -value questionnaire of CEN/TC 104/SC 1/TG 5..... | 47 |
| A.1 General questionnaire | 47 |
| A.2 Addition to answer of Finland | 57 |
| Bibliography | 60 |
