DIN EN 1263-2:2015-03 (E)

Temporary works equipment - Safety nets - Part 2: Safety requirements for the positioning limits

Contents

Page

Foreword 3

1 Scope 4

2 Normative references 4

3 Terms and definitions 4

4 Safety requirements 4
4.1 Instruction manual 4
4.2 Fall height 4
4.3 Catching width 5

5 Positioning of system S safety nets 7
5.1 Size of system S safety nets 7
5.2 Positioning fixings 7
5.3 Safety net linkage 8
5.4 Deformation of the safety net 8

6 Positioning of system T safety nets 9
6.1 Positioning 9
6.2 Safety net linkage 9
6.3 Support frame positioning 10

7 Positioning of system U safety nets 10

8 Positioning of system V safety nets 10
8.1 Position of the upper edge of the safety net 10
8.2 Safety net linkage 11
8.3 Positioning 11

Annex A (informative) A-deviations 12
