|--------------------|--|-------------|
| Foreword .....     |  | iv          |
| 1                  | Scope .....                                | 1           |
| 2                  | Normative reference .....                  | 1           |
| 3                  | Terms and definitions .....                | 1           |
| 4                  | Principle .....                            | 1           |
| 5                  | Apparatus .....                            | 2           |
| 6                  | Preparation of test specimens .....        | 4           |
| 7                  | Conditioning of test specimens .....       | 5           |
| 7.1                | General .....                              | 5           |
| 7.2                | Method A .....                             | 5           |
| 7.3                | Method B .....                             | 5           |
| 8                  | Test procedure .....                       | 5           |
| 8.1                | General .....                              | 5           |
| 8.2                | Test Procedure .....                       | 5           |
| 9                  | Evaluation and expression of results ..... | 6           |
| 10                 | Test report .....                          | 6           |
| Bibliography ..... |  | 8           |
