

# DIN EN 998-2:2017-02 (E)

## Specification for mortar for masonry - Part 2: Masonry mortar

---

| <b>Contents</b> |  | <b>Page</b> |
|-----------------|--|-------------|
|                 | European foreword .....  | 4           |
|                 | Introduction .....   | 6           |
| 1               | Scope .....  | 7           |
| 2               | Normative references .....   | 7           |
| 3               | Terms and definitions .....  | 8           |
| 4               | Materials .....  | 10          |
| 5               | Product characteristics .....  | 10          |
| 5.1             | General .....  | 10          |
| 5.2             | Characteristics of fresh mortar .....                                | 11          |
| 5.2.1           | Workable life .....  | 11          |
| 5.2.2           | Chloride content .....   | 11          |
| 5.2.3           | Air content .....  | 11          |
| 5.3             | Proportion of constituents .....                                     | 11          |
| 5.4             | Characteristics of hardened mortar .....                             | 11          |
| 5.4.1           | Compressive strength .....   | 11          |
| 5.4.2           | Bond strength .....  | 12          |
| 5.4.3           | Water absorption .....   | 13          |
| 5.4.4           | Water vapour permeability .....                                      | 13          |
| 5.4.5           | Density (dry hardened mortar) .....                                  | 13          |
| 5.4.6           | Thermal conductivity .....   | 13          |
| 5.4.7           | Durability .....   | 13          |
| 5.4.8           | Reaction to fire .....   | 13          |
| 5.4.9           | Dangerous substances .....   | 13          |
| 5.5             | Additional requirements for thin layer mortars .....                 | 14          |
| 5.5.1           | General .....  | 14          |
| 5.5.2           | Aggregates .....   | 14          |
| 5.5.3           | Correction time .....  | 14          |
| 5.6             | Mixing of mortar on site .....                                       | 14          |
| 6               | Designation of masonry mortar .....                                  | 14          |
| 7               | Marking and labelling .....  | 15          |
| 8               | Assessment and verification of constancy of performance (AVCP) ..... | 15          |
| 8.1             | General .....  | 15          |
| 8.2             | Product-type determination .....                                     | 15          |
| 8.2.1           | General .....  | 15          |
| 8.2.2           | Sampling .....   | 16          |
| 8.2.3           | Reference test .....   | 16          |
| 8.2.4           | Repeating of product-type determination .....                        | 16          |
| 8.2.5           | Recording .....  | 16          |
| 8.2.6           | Application of test methods .....                                    | 16          |
| 8.3             | Factory Production Control, FPC .....                                | 16          |
| 8.3.1           | General .....  | 16          |
| 8.3.2           | Process control .....  | 16          |

|  |  |           |
|--|--|-----------|
| 8.3.3  | Finished product conformity .....  | 17        |
| 8.3.4  | Statistical techniques .....   | 17        |
| 8.3.5  | Traceability - marking and stock control of products .....                     | 17        |
| 8.3.6  | Non-conforming products .....  | 18        |
| <b>Annex A (normative) Sampling for product-type determination and independent testing of consignments .....</b> |  | <b>19</b> |
| A.1  | General .....  | 19        |
| A.2  | Sampling procedure .....   | 19        |
| <b>Annex B (informative) Use of masonry units and masonry mortar .....</b>                                       |  | <b>20</b> |
| <b>Annex C (normative) Characteristic initial shear strength of designed masonry mortars .....</b>               |  | <b>22</b> |
| <b>Annex D (informative) Indicative test frequencies for Factory Production Control (FPC) .....</b>              |  | <b>23</b> |
| <b>Annex ZA (informative) Relationship of this European Standard with Regulation (EU) No.305/2011 .</b>          |  | <b>25</b> |
| ZA.1   | Scope and relevant characteristics .....                                       | 25        |
| ZA.2   | System of Assessment and Verification of Constancy of Performance (AVCP) ..... | 26        |
| ZA.3   | Assignment of AVCP tasks .....   | 26        |
| <b>Bibliography .....</b>  |  | <b>28</b> |
