## Cellular plastic - Cellulose foam thermal insulation - Material specification

---

<b>Contents</b>		<b>Page</b>
Foreword .....		iv
Introduction .....		v
1	Scope .....	1
2	Normative references .....	1
3	Terms and definitions .....	1
4	General requirements .....	2
4.1	Dyes and fluorescent whitening agent .....	2
4.2	Foreign matters .....	2
4.3	Manufacturing process .....	2
4.4	Toxic substance .....	2
4.5	Appearance .....	2
4.6	Performance .....	2
4.7	Dimension .....	3
5	Test methods .....	3
5.1	Sampling .....	3
5.2	Specimen preparation .....	3
5.3	Appearance .....	3
5.4	Conditioning of specimens .....	3
5.5	Laboratory conditions when testing is conducted .....	4
6	Conformity control .....	4
7	Marking and labelling .....	4
8	Report .....	4
