DIN 18200:2021-04 (E)

Assessment of conformity for construction products - Factory production control, third-party monitoring and certification

Contents

Page

Foreword 3

1 Scope 4

2 Normative references 4

3 Terms and definitions 4

4 Elements of verification 5
4.1 General 5
4.2 Factory production control 5
4.2.1 Requirements 5
4.2.2 Measures to be taken in the event of non-compliance with requirements 5
4.2.3 Records and documentation 6
4.3 Test methods 6
4.3.1 Sampling 6
4.3.2 Initial type testing 7
4.3.3 Random sampling test 7
4.3.4 Test report 7
4.4 Third-party inspection 8
4.4.1 Initial inspection 8
4.4.2 Routine inspection 8
4.4.3 Special inspection 8
4.4.4 Inspection report 8
4.5 Certification 9
4.5.1 Procedure 9
4.5.2 Certificate 9

5 Verification of conformity 10

Annex A (informative) Manufacturer's declaration 11
