|-----------------|---------------------------------------------|-------------|
| Foreword .....  |                                             | iv          |
| 1               | Scope .....                                 | 1           |
| 2               | Normative references .....                  | 1           |
| 3               | Terms and definitions .....                 | 1           |
| 4               | Principle .....                             | 1           |
| 5               | Apparatus .....                             | 1           |
| 6               | Test specimens .....                        | 2           |
| 6.1             | Dimensions of test specimens .....          | 2           |
| 6.2             | Number of test specimens .....              | 2           |
| 6.3             | Preparation of test specimens .....         | 2           |
| 6.4             | Conditioning of test specimens .....        | 2           |
| 7               | Procedure .....                             | 3           |
| 7.1             | Test conditions .....                       | 3           |
| 7.2             | Test procedure .....                        | 3           |
| 8               | Calculation and expression of results ..... | 3           |
| 9               | Accuracy of measurement .....               | 4           |
| 10              | Test report .....                           | 4           |
