| European foreword .....   |   | 4           |
| Introduction .....  |   | 5           |
| 1   | Scope .....   | 6           |
| 2   | Normative references .....                                | 6           |
| 3   | Terms, definitions and symbols .....                      | 6           |
| 3.1   | Terms and definitions .....                               | 6           |
| 3.2   | Symbols .....   | 7           |
| 4   | Characteristics .....                                     | 8           |
| 4.1   | Safety in case of brushwood fire .....                    | 8           |
| 4.2   | Resistance to dynamic loads: risk of falling debris ..... | 8           |
| 4.3   | Environmental protection .....                            | 8           |
| 4.4   | Access for maintenance and emergency exits .....          | 8           |
| 4.5   | Light reflection .....                                    | 8           |
| 4.6   | Transparency .....  | 8           |
| 5   | Test report .....   | 8           |
| Annex A (normative) Safety in case of brushwood fire .....                    |   | 10          |
| A.1   | General .....   | 10          |
| A.2   | Characteristics .....                                     | 10          |
| A.3   | Fire test .....   | 10          |
| A.4   | Test report .....   | 11          |
| Annex B (normative) Resistance to dynamic loads: risk of falling debris ..... |   | 12          |
| B.1   | General .....   | 12          |
| B.2   | Characteristics .....                                     | 12          |
| B.3   | Test method .....   | 13          |
| Annex C (normative) Environmental protection .....                            |   | 16          |
| C.1   | General .....   | 16          |
| C.2   | Characteristics .....                                     | 16          |
| Annex D (normative) Access for maintenance and emergency exits .....          |   | 17          |
| D.1   | General .....   | 17          |
| D.2   | Characteristics .....                                     | 17          |
| Annex E (normative) Light reflection .....                                    |   | 19          |
| E.1   | General .....   | 19          |
| E.2   | Characteristics .....                                     | 19          |
| E.3   | Test method .....   | 19          |
| E.4   | Test report .....   | 21          |
