ISO/TR 16214:2025-05 (E)

Review of geospatial and building information modelling (BIM) terminological entries

Contents

Page

Foreword iv

Introduction v

1 Scope 1

2 Normative references 1

3 Terms and definitions 1

4 Abbreviated terms 2

5 Management of terminology 2
5.1 Report methodology 2
5.2 Document structure 2
5.3 Sources of terminological entries 2
5.3.1 BIM terminological entries 2
5.3.2 GIS terminological entries 3

6 Terminology review 3
6.1 Data structures and architectures 3
6.2 Digital representations 10
6.3 Digital documentation 16
6.4 Uses, functions and services 19
6.5 Data acquisition, processing techniques and technologies 30

7 Conclusion 34
