Foreword v

1 Scope 1

2 Normative references 1

3 Terms and definitions 1

4 Equipment 2

5 Test Procedure 4

6 Test results 5

7 Reporting 5

Annex A (informative) **Correction factors** 8
A.1 Energy delivered to the drive rods 8
A.2 Energy losses due to the length of rods 8
A.3 Other correction factors 8
A.4 Effect of overburden pressure in sands 9
A.5 Use of the correction factors 9

Annex B (informative) **Recommended method to measure the actual energy** 11
B.1 Principle 11
B.2 Equipment 11
B.3 Measurements 11
B.4 Calculation 12
