

# DIN EN ISO 11499:2014-09 (E)

## Dentistry - Single-use cartridges for local anaesthetics (ISO 11499:2014)

---

<b>Contents</b>		<b>Page</b>
Foreword .....		3
Introduction .....		4
1	Scope .....	5
2	Normative references .....	5
3	Terms and definitions .....	5
4	Requirements .....	5
4.1	Freedom from leakage of anaesthetic solution .....	5
4.2	Force needed for plunger movement .....	6
4.3	Size of air bubble .....	6
4.4	Biocompatibility .....	6
4.5	Extractable volume .....	6
4.6	External dimensions of the assembled cartridge .....	6
4.7	Colour coding .....	6
5	Test methods .....	8
5.1	Sampling .....	8
5.2	Test conditions .....	8
5.3	Visual inspection .....	8
5.4	Cartridge leakage .....	8
5.5	Force needed for plunger movement .....	9
5.6	Size of air bubble .....	10
5.7	Extractable volume .....	11
6	Marking .....	11
6.1	Primary container .....	11
6.2	Secondary container .....	11
