European foreword 3

Annex A (informative) A-deviations 4

Foreword 6

Introduction 7

1 Scope 8

2 Normative references 8

3 Terms and definitions 8

4 Common requirements 10
4.1 Minors and vulnerable persons 10
4.2 Information to be provided 10
4.2.1 Introductory information 10
4.2.2 Information during service provision 11
4.3 Risk assessment 11
4.4 Surface support procedures and related safety provisions 12
4.4.1 Roll call 12
4.4.2 Activity time 12
4.5 Vessel operations 12
4.5.1 Crewing considerations 12
4.5.2 Safety/vessel briefing 12
4.5.3 Additional equipment requirements for vessels 13
4.6 Emergency equipment and procedures 13
4.6.1 Emergency equipment 13
4.6.2 Emergency procedures 13
4.7 Diving equipment 14
4.8 Documentation 14

5 Environmental considerations 14

6 Snorkelling excursions 14

7 Introductory dives 14

8 Scuba diving training and education 14
8.1 General requirements 14
8.2 Training locations 15
8.2.1 Theory teaching facilities 15
8.2.2 Open water training sites 15
8.3 Staff 15
8.4 Record keeping 15

9 Organized and guided diving for certified divers 16
9.1 Provision of services to groups 16
9.2 Organized dive 16
9.3 Guided dive 16

9.4 Locations 17
9.5 Staff 17

10 Rental of diving equipment 17
10.1 Services provided 17
10.2 Diving equipment 17
10.3 Staff 17
