Foreword iv

Introduction v

1 Scope 1

2 Normative references 1

3 Termsanddefinitions 1

4 Conformance 2

5 Framework of the ISO/IEC 17549 series 2
5.1 Software interfaces 2
5.2 Menus heterogeneity 2
5.2.1 Manipulation of menus 2
5.2.2 Several menus on different devices 3
5.2.3 Same menu for different users 3
5.2.4 Hardware interfaces (devices) 3
5.3 Menu accessibility 3
5.3.1 General requirements 3
5.3.2 Cognitive aspect 3
5.3.3 Perceptual aspect 4
5.3.4 Motor and speech ability aspect 4
5.4 Displays and commands coherency 4
5.4.1 Global coherency 4
5.4.2 Coherency between interface rendering and navigation commands 5
5.4.3 Horizontally displayed menus 5
5.4.4 Vertically displayed items 6
5.4.5 Items horizontally organized in a tile menu 6
5.4.6 Items vertically organized in a tile menu 7
5.5 Interface action means 8
5.5.1 Minimal requirement about interface action means 8
5.5.2 Direct action (pointing, gesture shortcut, key shortcut, vocal shortcut) 8
