ISO/TS 9546:2024-12 (E)

Guidelines for security framework of information systems of third-party payment services

Contents

Page

Foreword ..... **v**

Introduction ..... **vi**

1 Scope **1**

2 Normative references **1**

3 Terms and definitions **1**

4 Abbreviated terms **4**

5 TPP logical structural models **4**
5.1 General introduction 4
5.2 TPP logical structural model without the TPP-AIS 4
5.3 TPP logical structural model with the TPP-AIS 5

6 TPP security functional recommendations **6**
6.1 General security functional recommendations 6
6.1.1 General 6
6.1.2 Identification and authentication 6
6.1.3 Authorization 7
6.1.4 Audit logging 8
6.1.5 Asset protection 8
6.2 Security functional recommendations for TPPSP credentials carrier (C2) 8
6.2.1 Encryption 8
6.2.2 User authentication 9
6.2.3 Access control 9
6.3 Security functional recommendations for payment terminal (C3) 9
6.3.1 Encryption 9
6.3.2 User authentication 9
6.3.3 Logical security 9
6.3.4 Transaction security 9
6.3.5 Payment-sensitive information protection 10
6.4 Security functional recommendations for TPPSP gatekeepers (C5) 10
6.4.1 Access control 10
6.4.2 Transaction security 10
6.4.3 Audit logging 10
6.5 Security functional recommendations for TPP-BIS (C6) 10
6.5.1 User authentication 10
6.5.2 Transaction security 11
6.5.3 Payment-sensitive information protection 11
6.5.4 Risk control 11
6.6 Security functional recommendations for TPP-AIS (C15) 11
6.6.1 Encryption 11
6.6.2 Identity verification 11
6.6.3 Transaction security 11

7 TPP security framework **11**
7.1 Security framework overview 11
7.2 Process layer 12
7.2.1 Overview 12
7.2.2 Identification and authentication 12
7.2.3 Authorization 13
7.2.4 Audit logging 13

7.3.4 Security measures for TPPSP gatekeeper (C5) 15
7.3.5 Security measures for TPP-BIS (C6) 15
7.3.6 Security measures for TPP-AIS (C15) 16
7.4 Infrastructure layer 16
8 Guidelines for implementation of the security framework 16
8.1 Overview of and steps for the guidelines 16
8.2 Real-world practices of the security framework 17
8.2.1 Overview 17
8.2.2 Practices of payment application (C3) 17
8.2.3 Practices of TPPSP gatekeeper (C5) and TPP-BIS (C6) 18
8.2.4 Practices of TPP-AIS (C15) 19
Annex A (informative) **Examples of TPP implementation 20**
Bibliography 24
