Foreword iv

Introduction v

1 Scope 1

2 Normative references 1

3 Noise hazards 2

4 Safety requirements and measures 2
4.1 General requirements for noise reduction 2
4.2 Noise reduction measures 2

5 Verificationofsafetyrequirementsfornoiseemissionreductionand/or protection measures ... 3

6 Information for the user 3

Annex A (normative) Noise test code (accuracy grade 2) 5
