

# ISO 11553-3:2013-03 (E)

## Safety of machinery - Laser processing machines - Part 3: Noise reduction and noise measurement methods for laser processing machines and hand-held processing devices and associated auxiliary equipment (accuracy grade 2)

---

Contents	Page
Foreword .....	iv
Introduction .....	v
1 Scope .....	1
2 Normative references .....	1
3 Noise hazards .....	2
4 Safety requirements and measures .....	2
4.1 General requirements for noise reduction .....	2
4.2 Noise reduction measures .....	2
5 Verification of safety requirements for noise emission reduction and/or protection measures ..	3
6 Information for the user .....	3
Annex A (normative) Noise test code (accuracy grade 2) .....	5
Bibliography .....	12
