

ISO 5834-2:2025-07 (E)

Implants for surgery - Ultra-high-molecular-weight polyethylene - Part 2: Moulded forms

Contents		Page
Foreword		iv
Introduction		v
1	Scope	1
2	Normative references	1
3	Terms and definitions	1
4	Classification, designation and coding	2
5	Material	2
6	Manufacturing requirements	2
7	Requirements	2
7.1	Physical properties	2
7.2	Particulate matter	2
8	Test methods	3
8.1	Test conditions	3
8.2	Density	3
8.3	Tensile testing	3
8.3.1	General	3
8.3.2	Tensile stress at yield	3
8.3.3	Tensile stress at break	3
8.3.4	Elongation at break	3
8.4	Notched impact strength	3
8.5	Sample area for particulate matter	3
9	Identification marking	3
10	Test certificate	4
11	Labelling	4
