DIN ISO 10110-11:2026-06 (E)

Optics and photonics - Preparation of drawings for optical elements and systems - Part 11: Non-toleranced data (ISO 10110-11:2025)

Contents

Page

Foreword ... **iv**

Introduction ... **vi**

1 Scope ... **1**

2 Normative references ... **1**

3 Terms and definitions ... **1**

4 Default values for non-toleranced data ... **2**

4.1 Background ... 2

4.2 Application of default tolerances ... 2

4.3 Table of default tolerances ... 2

4.4 Cases in which default tolerances are not provided ... 3

4.4.1 General ... 3

4.4.2 Effective aperture ... 4

4.4.3 Laser irradiation damage threshold ... 4

Bibliography ... **5**
