Page

Foreword 3

Introduction 4

1 Scope 5

2 Normative references 5

3 Terms and definitions 5
3.1 General terminology 6
3.2 Pressure related terminology 7

4 Pressure testing 8
4.1 General 8
4.2 Classification of test methods 9
4.3 Hydrostatic testing 10
4.3.1 General 10
4.3.2 Hydrostatic test methods 10
4.3.3 Water disposal 11
4.4 Pneumatic testing 11
4.4.1 General 11
4.4.2 Pneumatic test methods 11
4.5 Leak detection 12
4.6 Test report 12

5 Commissioning and decommissioning 13
5.1 General/planning 13
5.2 Commissioning 14
5.3 Decommissioning 15

Annex A (informative) Purging criteria 16

Annex B (informative) List of CEN/TC 234 European Standards 19
