

DIN EN 17278:2022-01 (E)

Natural gas vehicles - Vehicle fuelling appliances

| Contents | | Page |
|-------------------------|---|-------------|
| European foreword | | 4 |
| 1 | Scope | 5 |
| 2 | Normative references | 5 |
| 3 | Terms and definitions | 7 |
| 4 | Abbreviations | 10 |
| 5 | Risk management | 10 |
| 6 | General principles of design | 11 |
| 6.1 | General construction | 11 |
| 6.2 | General requirements | 11 |
| 6.3 | Materials | 12 |
| 6.4 | Internal systems and components of VFA | 12 |
| 6.4.1 | Fuel delivery system | 12 |
| 6.4.2 | Fuelling pressure discharge system | 14 |
| 6.4.3 | Locking system | 14 |
| 6.4.4 | Compressor | 14 |
| 6.4.5 | Gas containment system | 14 |
| 6.4.6 | Temperature compensation system | 15 |
| 6.4.7 | Dryer | 16 |
| 6.4.8 | Safety means | 16 |
| 6.4.9 | Pipework | 17 |
| 6.5 | Permanent joining | 17 |
| 6.6 | Connection to the distribution gas network | 17 |
| 6.7 | Gas composition and odorization | 18 |
| 6.8 | Noise attenuation | 18 |
| 6.9 | Ventilation | 18 |
| 7 | Enclosure | 18 |
| 8 | Testing | 19 |
| 8.1 | General | 19 |
| 8.2 | Strength pressure (proof) test | 19 |
| 8.2.1 | General | 19 |
| 8.2.2 | Procedure of strength pressure (proof) test | 19 |
| 8.2.3 | Fatigue test | 20 |
| 8.3 | Leak testing | 20 |
| 8.3.1 | General | 20 |
| 8.3.2 | Procedure for gas leakage test | 20 |
| 8.3.3 | Liquid leakage testing | 20 |
| 8.4 | Checking of safety devices | 20 |
| 8.5 | Periodic inspection | 21 |
| 8.5.1 | General | 21 |
| 8.5.2 | Periodic inspection of cylinders | 21 |
| 8.5.3 | Periodic inspection of fuelling hose | 21 |
| 9 | Installation | 21 |
| 9.1 | General | 21 |

| | | |
|--|---|-----------|
| 9.2 | VFA location | 21 |
| 9.3 | VFA installation outdoors | 23 |
| 9.3.1 | VFA location outdoors | 23 |
| 9.3.2 | Installation conditions | 23 |
| 9.3.3 | Ventilation conditions | 23 |
| 9.4 | VFA installation indoors | 23 |
| 9.4.1 | VFA location indoors | 23 |
| 9.4.2 | Installation conditions | 24 |
| 9.4.3 | Ventilation conditions | 24 |
| 9.4.4 | Compatibility with other gas appliances | 25 |
| 9.5 | Commissioning | 25 |
| 10 | Operation | 25 |
| 10.1 | General | 25 |
| 10.2 | Installation and servicing manual | 25 |
| 10.2.1 | General | 25 |
| 10.2.2 | Installation instructions | 26 |
| 10.2.3 | Maintenance instructions | 27 |
| 10.2.4 | Removal instructions for VFA | 28 |
| 10.2.5 | Servicing and inspection instructions | 28 |
| 10.3 | User's manual | 28 |
| 10.3.1 | General | 28 |
| 10.3.2 | Front cover | 28 |
| 10.3.3 | Safety section | 29 |
| 10.3.4 | Additional safety information | 29 |
| 11 | User of VFA | 30 |
| 12 | Marking and labelling | 31 |
| 13 | Maintenance and testing frequency of gas detection system | 31 |
| Annex A (informative) Additional safety precautions for indoor fuelling of NGV by means of VFA installed outdoors | | 32 |
| Annex ZA (informative) Relationship between this European Standard and the Essential requirements of EU Directive 2014/68/EU (Pressure equipment Directive) aimed to be covered | | 33 |
