DIN EN 13544-3:2010-01 (E)

Respiratory therapy equipment - Part 3: Air entrainment devices (includes Amendment A1:2009)

Contents

Page

Foreword 3

1 Scope 4

2 Normative references 4

3 Terms and definition 4
3.1 Air entrainment device 4

4 Oxygen supply 4

5 Connections 4
5.1 Oxygen supply inlet 4
5.2 Air inlet attachments 5

6 Delivered oxygen concentration 5

7 Marking and identification 5
7.1 Marking 5
7.2 Colour coding 6

8 Information supplied by the manufacturer 6

9 !Usability 7

10 Clinical evaluation 7

Annex A (normative) Method of test for delivered oxygen concentration 8

Annex B (informative) Rationale 11

Annex C (informative) Colour coding 12

Annex ZA (informative) !Relationship between this European Standard and the Essential Requirements of EU Directive 93/42/EEC" 13
