

DIN EN 13544-3:2010-01 (E)

Respiratory therapy equipment - Part 3: Air entrainment devices (includes Amendment A1:2009)

Contents		Page
Foreword		3
1	Scope	4
2	Normative references	4
3	Terms and definition	4
3.1	Air entrainment device	4
4	Oxygen supply	4
5	Connections	4
5.1	Oxygen supply inlet	4
5.2	Air inlet attachments	5
6	Delivered oxygen concentration	5
7	Marking and identification	5
7.1	Marking	5
7.2	Colour coding	6
8	Information supplied by the manufacturer	6
9	Usability	7
10	Clinical evaluation	7
Annex A (normative) Method of test for delivered oxygen concentration		8
Annex B (informative) Rationale		11
Annex C (informative) Colour coding		12
Annex ZA (informative) "Relationship between this European Standard and the Essential Requirements of EU Directive 93/42/EEC"		13
Bibliography		14
