# ISO 20493:2018 (E)

## Traditional Chinese medicine — Infrared moxibustion-like instrument

# Contents

Foreword

Introduction

1 Scope

2 Normative references

3 Terms and definitions

4 Structure and composition

5 Requirements

- 5.1 Wavelength range
- 5.2 Temperature control
- 5.3 Time control
- 5.4 Overheating protection
- 5.5 Protection against unwanted and excessive radiation hazards
- 5.6 Environmental testing requirements
- 5.7 Electrical safety requirements
- 5.8 Electromagnetic compatibility

6 Test methods

- 6.1 Wavelength range test
- 6.2 Temperature control test
- 6.2.1 Infrared heater surface temperature test
- 6.2.2 Temperature unevenness test
- 6.2.3 Shield temperature test
- 6.3 Thermal response time test

7 Labels, instruction, packaging, transportation and storage

- 7.1 Labels
- 7.2 Instruction for use
- 7.3 Packaging
- 7.4 Transportation
- 7.5 Storage
