ISO 27269:2021 (E)

Health informatics — International patient summary

Contents

Foreword

Introduction

1 Scope

2 Normative references

3 Terms and definitions

3.1 Healthcare
3.2 Healthcare actor
3.3 Healthcare matter
3.4 Healthcare activity
3.5 Healthcare planning
3.6 Time
3.7 Responsibility
3.8 Information Management
3.8.1 Concepts
3.8.2 Models
3.8.3 Data
3.8.4 Process

4 Abbreviations

5 Conformance

5.1 Introduction
5.2 IPS Conformance Detail

6 Descriptors for the IPS Data Set

6.1 Patterns within the IPS Data Set
6.1.1 General
6.1.2 Label Concept
6.1.3 List
6.1.4 Reference
6.1.5 Person Name
6.1.6 Coded Element
6.1.7 Date Time
6.1.8 Identifier
6.1.9 Address
6.1.10 Telecom
6.1.11 Organization Name
6.1.12 Text
6.1.13 Any
6.1.14 Range
6.1.15 Quantity
6.1.16 Period
6.1.17 General Time Specification
6.1.18 String
6.1.19 Ratio
6.2 Model Extensibility

7 Definition of the IPS Document (IPS)

7.1 Overview Description: THE IPS DOCUMENT (Table 4)
7.2 Detailed Description: THE IPS DOCUMENT

8 Definition for IPS Attribute Collection: PATIENT ATTRIBUTES

8.1 Overview Description: PATIENT ATTRIBUTES (Table 5)
8.2 Detailed Description: PATIENT ATTRIBUTES

9 Definition for IPS Attribute Collection: HEALTHCARE PROVIDER

9.1 Overview Description for HEALTHCARE PROVIDER (Table 6)
9.2 Detailed Description for HEALTHCARE PROVIDER

10 Definition for IPS Attribute Collection: PATIENT'S ADDRESS BOOK

10.1 Overview Description for PATIENT'S ADDRESS BOOK (Table 7)
10.2 Detailed Description for PATIENT'S ADDRESS BOOK

11 Definition for IPS Section: ADVANCE DIRECTIVES

11.1 Overview Description for ADVANCE DIRECTIVES (Table 8)
11.2 Detailed Description for ADVANCE DIRECTIVES

12 Definition for IPS Section: ALLERGIES and INTOLERANCES

12.1 Overview Description for ALLERGIES and INTOLERANCES (Table 9)
12.2 Detailed Description for ALLERGIES and INTOLERANCES

13 Definition for IPS Section: FUNCTIONAL STATUS

13.1 Overview Description for FUNCTIONAL STATUS (Table 10)
13.2 Detailed Description for FUNCTIONAL STATUS

14 Definition for IPS Section: HISTORY OF PAST PROBLEMS

14.1 Overview Description for HISTORY OF PAST PROBLEMS (Table 11)
14.2 Detailed Description for HISTORY OF PAST PROBLEMS

15 Definition for IPS Section: HISTORY OF PREGNANCY

15.1 Overview Description for HISTORY OF PREGNANCY (Table 12)
15.2 Detailed Description for HISTORY OF PREGNANCY

16 Definition for IPS Section: HISTORY OF PROCEDURES

16.1 Overview Description for HISTORY OF PROCEDURES (Table 13)
16.2 Detailed Description for HISTORY OF PROCEDURES

17 Definition for IPS Section: IMMUNIZATIONS

17.1 Overview Description for IMMUNIZATIONS (Table 14)
17.2 Detailed Description for IMMUNIZATIONS

18 Definition for IPS Section: MEDICAL DEVICES

18.1 Overview Description for MEDICAL DEVICES (Table 15)
18.2 Detailed Description for MEDICAL DEVICES

19 Definition for IPS Section: MEDICATION SUMMARY

19.1 Overview Description for MEDICATION SUMMARY (Tables 16 and 17)
19.2 The IPS Medication Summary and IDMP
19.3 Detailed Description for MEDICATION SUMMARY

20 Definition for IPS Section: PLAN OF CARE

20.1 Overview Description for PLAN OF CARE (Table 18)
20.2 Detailed Description for PLAN OF CARE

21 Definition for IPS Section: PROBLEMS

21.1 Overview Description for PROBLEMS (Table 19)
21.2 Detailed Description for PROBLEMS

22 Definition for IPS Section: RESULTS

22.1 Overview Description for RESULTS (Table 20)
22.2 Detailed Description for RESULTS

23 Definition for IPS Section: SOCIAL HISTORY

23.1 Overview Description for SOCIAL HISTORY (Table 21)

23.2 Detailed Description for SOCIAL HISTORY

24 Definition for IPS Section: VITAL SIGNS

24.1 Overview Description for VITAL SIGNS (Table 22)
24.2 Detailed Description for VITAL SIGNS

25 Definition for IPS Attribute Collection: Cross Border

25.1 Overview Description for CROSS BORDER (Table 23)
25.2 Detailed Description for CROSS BORDER

26 Definition for IPS Attribute Collection: Provenance Metadata

26.1 Overview Description for PROVENANCE (Table 24)
26.2 Detailed Description for PROVENANCE

Annex A (informative) The first IPS Scenario focussed on 'unscheduled, cross-border care'

A.1 Introduction
A.2 Commentary on the first IPS Scenario
A.3 Governance of the IPS Data Set
A.3.1 General
A.3.2 Clinical and Information Governance
A.4 IPS Independence and Dependence

Annex B (informative) Explicit Trace between eHN Guideline Version 2

B.1 General
B.2 The eHN Guideline and this document
B.3 The Rationale for the IPS Naming
B.4 Identifiers in eHN Guideline

Annex C (informative) The eHN Guideline, the JIC PS Standards Set, and IPS
