Page

European foreword ... 3

Foreword ... 4

Introduction ... 5

1 * Scope ... 6

2 Normative references ... 6

3 Terms and definitions ... 7

4 General requirements ... 9
4.1 General ... 9
4.2 Other test methods ... 10
4.3 Acceptance criteria ... 10

5 Constructional requirements ... 11
5.1 General ... 11
5.2 Connectors ... 12

6 Operational requirements ... 14
6.1 General ... 14
6.2 Resistance to environmental influences ... 15
6.3 Resistance to typical use ... 15
6.4 Size and mass ... 16
6.5 Gas supply ... 16

7 Performance ... 17
7.1 Ventilatory requirements ... 17
7.2 * Ventilation performance ... 19

8 Identification, marking and documents ... 22
8.1 General ... 22
8.2 Marking ... 23
8.3 Information provided by the manufacturer for operation and maintenance ... 24

Annex A (informative) **Rationale** ... 28

Annex B (normative) **Test methods** ... 33

Annex C (informative) **Relationship between this part of ISO 10651 and cardiopulmonary resuscitation guidelines** ... 45

Annex D (informative) **Clauses of this part of ISO 10651 addressing the essential principles** ... 46

Annex E (informative) **Terminology — Index of defined terms** ... 48

Bibliography ... 50
