| Foreword .....     |  | vi          |
| Introduction ..... |  | vii         |
| 1                  | Scope .....  | 1           |
| 2                  | Normative references .....   | 1           |
| 3                  | Terms and definitions .....  | 1           |
| 4                  | Summary of the ISO 13940:2015 to FHIR R4 map .....                 | 2           |
| 4.1                | Goals .....  | 2           |
| 4.2                | Approach .....   | 2           |
| 4.3                | Findings .....   | 2           |
| 4.4                | Mapping issues .....   | 2           |
| 5                  | Mapping of concepts from 13940:2015 to FHIR R4 .....               | 2           |
| 5.1                | Mapping of concepts related to healthcare actors .....             | 2           |
| 5.2                | Mapping of concepts related to healthcare matters .....            | 6           |
| 5.3                | Mapping of concepts related to activities .....                    | 12          |
| 5.4                | Mapping of concepts related to process .....                       | 22          |
| 5.5                | Mapping of concepts related to healthcare planning .....           | 25          |
| 5.6                | Mapping of concepts related to time .....                          | 29          |
| 5.7                | Mapping of concepts related to responsibilities .....              | 35          |
| 5.8                | Mapping of concepts related to information management .....        | 39          |
| 6                  | Summary of the FHIR R4 to ISO 13940:2015 map .....                 | 46          |
| 6.1                | Goals .....  | 46          |
| 6.2                | Approach .....   | 46          |
| 6.3                | Findings .....   | 46          |
| 6.4                | Mapping issues .....   | 46          |
| 7                  | Mapping of concepts from FHIR R4 to ISO 13940:2015 .....           | 47          |
| 7.1                | Mapping of concepts related to foundation conformance .....        | 47          |
| 7.2                | Mapping of concepts related to foundation terminology .....        | 49          |
| 7.3                | Mapping of concepts related to foundation security .....           | 51          |
| 7.4                | Mapping of concepts related to foundation documents .....          | 53          |
| 7.5                | Mapping of concepts related to base individuals .....              | 55          |
| 7.6                | Mapping of concepts related to base entities#1 .....               | 58          |
| 7.7                | Mapping of concepts related to base entities#2 .....               | 61          |
| 7.8                | Mapping of concepts related to base workflow .....                 | 63          |
| 7.9                | Mapping of concepts base management .....                          | 65          |
| 7.10               | Mapping of concepts related to clinical summary .....              | 67          |
| 7.11               | Mapping of concepts related to clinical diagnostics .....          | 70          |
| 7.12               | Mapping of concepts related to clinical - medications .....        | 73          |
| 7.13               | Mapping of concepts clinical care provisions .....                 | 76          |
| 7.14               | Mapping of concepts related to clinical request and response ..... | 80          |
| 7.15               | Mapping of concepts related to financial support .....             | 83          |
| 7.16               | Mapping of concepts related to financial billing .....             | 85          |
| 7.17               | Mapping of concepts related to financial payment .....             | 87          |
| 7.18               | Mapping of concepts related to financial general .....             | 89          |

|        |  |     |
|--------|--|-----|
| 7.19   | Mapping of concepts related to specialized public health and research .....  | 91  |
| 7.20   | Mapping of concepts related to specialized definitional artifacts .....  | 93  |
| 7.21   | Mapping of concepts related to specialized evidence-based medicine .....   | 97  |
| 7.22   | Mapping of concepts related to specialized quality reporting and testing .....   | 99  |
| 7.23   | Mapping of concepts related to specialized medication definition .....   | 101 |
| 8      | Summary of the ISO 13606-1:2019 from/to FHIR R4 map .....  | 107 |
| 8.1    | Goals .....  | 107 |
| 8.2    | Approach .....   | 107 |
| 8.3    | Findings .....   | 107 |
| 8.4    | Mapping issues .....   | 107 |
| 9      | Mapping of concepts from ISO 13606-1:2019 to FHIR .....  | 108 |
| 9.1    | Mapping of concepts related to EHR Component EHR Extract .....   | 108 |
| 9.2    | Mapping of concepts related to EHR Component Folder .....  | 110 |
| 9.3    | Mapping of concepts related to EHR Component Composition .....   | 112 |
| 9.4    | Mapping of concepts related to EHR Component Entry .....   | 114 |
| 9.5    | Mapping of concepts related to EHR Component Item .....  | 116 |
| 9.6    | Mapping of concepts related to EHR component Common properties of record<br>components .....   | 118 |
| 9.7    | Mapping of concepts related to EHR component Base component .....  | 118 |
| 9.8    | Mapping of concepts related to EHR component Record component .....  | 120 |
| 9.9    | Mapping of concepts related to EHR component Attestation .....   | 122 |
| 9.10   | Mapping of concepts related to EHR component Link .....  | 124 |
| 9.11   | Mapping of concepts related to EHR component External link .....   | 126 |
| 9.12   | General principles for mapping elements and data values .....  | 128 |
| 9.13   | Mapping of concepts related to Elements and data values Instance identifier .....  | 133 |
| 9.14   | Mapping of concepts related to Elements and data values URI .....  | 135 |
| 9.15   | Mapping of concepts related to Elements and data values uid .....  | 137 |
| 9.16   | Mapping of concepts related to Elements and data values Attachment .....   | 139 |
| 9.17   | Mapping of concepts related to Elements and data values SampleData .....   | 142 |
| 9.18   | Mapping of concepts related to Elements and data values Point in time .....  | 144 |
| 9.19   | Mapping of concepts related to Elements and data values Date time .....  | 146 |
| 9.20   | Mapping of concepts related to Elements and data values Date .....   | 148 |
| 9.21   | Mapping of concepts related to Elements and data values Time .....   | 150 |
| 9.22   | Mapping of concepts related to Elements and data values Period .....   | 152 |
| 9.23   | Mapping of concepts related to Elements and data values Timing .....   | 154 |
| 9.24   | Mapping of concepts related to Elements and data values Physical Quantity .....  | 156 |
| 9.25   | Mapping of concepts related to Elements and data values Coded value .....  | 159 |
| 9.26   | Mapping of concepts related to Elements and data values Coded simple .....   | 161 |
| 9.27   | Mapping of concepts related to Elements and data values Simple text .....  | 163 |
| 9.28   | Mapping of concepts related to Elements and data values String .....   | 165 |
| 9.29   | Mapping of concepts related to Elements and data values Annotation .....   | 167 |
| 9.30   | Mapping of concepts related to Elements and data values Integer .....  | 169 |
| 9.31   | Mapping of concepts related to Elements and data values Real .....   | 171 |
| 9.32   | Mapping of concepts related to Elements and data values Boolean .....  | 173 |
| 9.33   | Mapping of concepts related to Demographics PersonName .....   | 175 |
| 9.34   | Mapping of concepts related to Demographics TelecommunicationAddress .....   | 177 |
| 9.35   | Mapping of concepts related to Demographics LocationAddress .....  | 179 |
| 9.36   | Mapping of concepts related to Demographics Attestation info .....   | 182 |
| 9.37   | Mapping of concepts related to value sets .....  | 184 |
| 9.38   | Mapping of concepts value set Link .....   | 186 |
| 9.39   | Mapping of concepts value set Version_status .....   | 188 |
| 9.40   | Mapping of concepts related to value Set Null_flavour .....  | 189 |
| 10     | Challenges, constraints, and recommendations for a standardization roadmap to align<br>the HL7 FHIR and ISO 13606-3:2019 standards ..... | 190 |
| 10.1   | Purpose of this Clause .....   | 190 |
| 10.2   | Importance of HL7 FHIR and ISO 13606-3:2019 alignment .....  | 191 |
| 10.3   | Overview of the HL7 FHIR functional/reporting model .....  | 191 |
| 10.3.1 | StructureDefinition and resource profiling .....   | 191 |

|  |   |     |
|--|---|-----|
| 10.3.2   | Meta information .....  | 191 |
| 10.3.3   | Extension mechanism .....   | 191 |
| 10.3.4   | Slicing mechanism .....   | 192 |
| 10.3.5   | Changing knowledge and adaptability .....   | 192 |
| 10.3.6   | Base reference models specialization .....  | 192 |
| 10.4   | Overview of ISO 13606-3:2019 .....  | 192 |
| 10.5   | Differences and similarities between the standards in terms of information structure composition mechanisms ..... | 193 |
| 10.5.1   | Main concepts .....   | 193 |
| 10.5.2   | Similarities .....  | 193 |
| 10.5.3   | Differences .....   | 193 |
| 10.6   | Benefits found from the combined use of FHIR and ISO 13606-3 .....  | 193 |
| 10.6.1   | Enhanced semantic interoperability .....  | 193 |
| 10.6.2   | Flexibility in data modeling .....  | 194 |
| 10.6.3   | Reusability and standardization .....   | 194 |
| 10.6.4   | Efficient data exchange .....   | 194 |
| 10.6.5   | Enhanced clinical validity .....  | 194 |
| 10.6.6   | Improved data governance and quality .....  | 194 |
| 10.7   | Example of a combination of the ISO 13606-3:2019 "Health Condition" reference archetype with FHIR .....           | 194 |
| 10.7.1   | General .....   | 194 |
| 10.7.2   | Detailed example of combined specification .....  | 195 |
| 10.7.3   | Hypothetical FHIR Profile: Health Condition .....   | 196 |
| 11   | Mapping tables guiding the representation of reference archetypes as FHIR resources ..                            | 198 |
| 11.1   | Mapping of properties related to reference archetypes for demographic entities .....                              | 198 |
| 11.2   | Mapping of properties related to reference archetypes for clinical information specifications .....               | 200 |
| Annex A (informative) Mapping between HL7 FHIR, the ISO 13606 series and ISO 13972 ..... |   | 217 |
| Bibliography .....   |   | 225 |
