Seite

Foreword 5

Introduction 6

1 Scope 7

2 Normative references 7

3 Terms and definitions 7

4 Symbols and abbreviations 8

5 Rules governing the use of general purpose information components 9

6 Common Attribute Groups (CAG) 11
6.1 Introduction 11
6.2 Entity Name CAG 11
6.2.1 Entity Name 11
6.2.2 Entity Name Part 12
6.3 Postal Address CAG 13
6.3.1 Postal Address 13
6.3.2 Postal Address Part 14
6.4 Telecom CAG 14
6.4.1 Telecom 14

7 Common Sub-Components 15
7.1 General description 15
7.1.1 Overview 15
7.1.2 Context inheritance 16
7.2 Non Healthcare Person Participation 16
7.3 Healthcare Professional Participation 19
7.4 Healthcare Organisation Participation 21
7.5 Device Participation 23
7.6 Healthcare Agent Participation 24

8 General Purpose Information Components – an overview 26

9 General Purpose Information Components 34
9.1 Living Subject GPICs 34
9.1.1 Overview (informative) 34
9.1.2 Person 35
9.1.3 Language Communication 37
9.1.4 Place of Birth 39
9.1.5 Residence Information 41
9.2 Organisation Related GPICs 43
9.2.1 Overview (informative) 43
9.2.2 Organisation 43
9.2.3 Identified Organisation 46
9.2.4 Organisation Hierarchy 47
9.2.5 Related Organisation 49
9.2.6 Contact Person 50
9.3 Subject of Care Identification GPICs 52
9.3.1 Overview (informative) 52
9.3.2 Subject Of Care Identification 52
9.3.3 Identified Living Subject 54
9.3.4 Subject Of Care Person Identification 56

9.3.5 Subject Of Care Animal Identification 58
9.4 Subject of Care GPICs 59
9.4.1 Overview (informative) 59
9.4.2 Subject Of Care 60
9.4.3 Subject Of Care Person 63
9.4.4 Patient Standard Information 66
9.4.5 Patient Extended Information 69
9.4.6 Subject Of Care Animal 72
9.4.7 Subject Of Care Animal Group 75
9.5 Subject of Care Related GPICs 76
9.5.1 Overview (informative) 76
9.5.2 Related Subject Of Care 77
9.5.3 Subject Of Care Related Party 81
9.6 Subject of Care And Related Parties Involvement in Activities GPICs 83
9.6.1 Overview (informative) 83
9.6.2 Referenced Subject of Care 84
9.6.3 Participating Subject of Care 86
9.6.4 Participating Patient 88
9.6.5 Identified Participating Patient 89
9.6.6 Participating Patient Related Party 91
9.6.7 Participating Related Subject of Care 93
9.6.8 Care Service Recipient 94
9.6.9 Subject Of Investigation 97
9.7 Healthcare Agent GPICs - General principles 101
9.8 Healthcare Professional GPICs 101
9.8.1 Healthcare Professional 101
9.8.2 Identified Healthcare Professional 105
9.8.3 Related Healthcare Professional 107
9.9 Healthcare Organisation GPICs 109
9.9.1 Healthcare Organisation 109
9.9.2 Identified Healthcare Organisation 111
9.9.3 Related Healthcare Organisation 113
9.10 Healthcare Agent GPICs 115
9.10.1 Healthcare Party 115
9.10.2 Identified Healthcare Party 116
9.10.3 Healthcare Agent 118
9.10.4 Identified Healthcare Agent 120
9.10.5 Related Healthcare Agent 122
9.11 Referenced Healthcare Agent GPICs 124
9.11.1 Referenced Healthcare Professional 124
9.11.2 Referenced Healthcare Organisation 125
9.11.3 Referenced Healthcare Device 127
9.11.4 Referenced Healthcare Party 128
9.11.5 Referenced Healthcare Agent 130
9.12 Healthcare Agent Involvement in Activity GPICs 131
9.12.1 Participating Healthcare Professional 131
9.12.2 Identified Participating Professional 133
9.12.3 Participating Healthcare Organisation 134
9.12.4 Identified Participating Organisation 135
9.13 Participating Healthcare Agent GPICs 136
9.13.1 Participating Healthcare Party 136
9.13.2 Participating Healthcare Agent 138
9.14 Device GPICs 139
9.14.1 Device 139
9.14.2 Identified Device 141
9.14.3 Related Device 143
9.14.4 Related Identified Device 144
9.14.5 Device In Use 146
9.14.6 Identified Device In Use 147

Page

9.14.7 Device Parameter 148

9.15 Location GPICs 150
9.15.1 Care Location 150
9.15.2 Care Location In Use 152
9.15.3 Geographic Location 154
9.16 Transportation GPICs 156
9.16.1 Living Subject Transportation 156
9.16.2 Non Living Entity Transportation 161
9.16.3 Related Living Subject Transportation 164
9.16.4 Related Non Living Entity Transportation 165
9.17 Financial GPICs 166
9.17.1 Care Cost 166
9.17.2 Authorisation 169
9.17.3 Service Agreement 171

10 Structural Vocabularies 175
10.1 Entity Vocabularies 175
10.1.1 Entity Class 175
10.1.2 Entity Determiner 176
10.2 Role Vocabularies 176
10.2.1 Role Class 176
10.3 Participation Vocabularies 181
10.3.1 Participation Type 181
10.3.2 Participation Status 185
10.3.3 Participation Mode 185
10.4 Context Control Participation 186

Annex A (informative) Rationale for this document on General Purpose Information Components ... 188

Annex B (informative) How to read the models 189
B.1 Introduction 189
B.2 Associations between classes 189
B.3 Generalisation/Specialisation 190

Annex C (informative) Health Level 7 (HL7) Reference Information Model 191

Annex D (informative) Common features of the general purpose information components 193

Annex E (informative) Localisation of the general purpose information components 195

Bibliography 196
