Foreword 3

Introduction 4

1 Scope 5

2 Normative references 5

3 Terms and definitions 5

4 Principle 5

5 Location check 6
5.1 General 6
5.2 Guidance for the identification of relevant areas 7

6 Production of raw material in areas with nature protection purposes 7
6.1 General 7
6.2 Functional check 7
6.3 Impact check 8

7 Harvesting of raw material in highly biodiverse non-natural grassland 11
7.1 General 11
7.2 Functional check 12

8 Cultivation and harvesting of raw material from peatland 14
8.1 General 14
8.2 Impact check 14

9 Documentation 15

Annex A (informative) Example of a template for provision of data for the area with nature protection purposes and for the production unit 16

Annex B (informative) Example of a template for provision of data for highly biodiverse non-natural grassland harvesting area 17

Annex C (informative) Example of a template for provision of data for peatland area 18

Annex D (informative) Relationship between this European Standard and the Essential Requirements of EU Directives 2009/28/EC and 98/70/EC 19
