## Smart community infrastructures - Data exchange and sharing for the lamppost network in smart community

---

<b>Contents</b>		<b>Page</b>
Foreword .....		iv
Introduction .....		v
1 <b>Scope</b> .....		1
2 <b>Normative references</b> .....		1
3 <b>Terms and definitions</b> .....		1
4 <b>Overview</b> .....		2
5 <b>Principles for data exchange and sharing</b> .....		3
6 <b>Data spectrum</b> .....		3
7 <b>Data transmission</b> .....		3
7.1 <b>Interfaces</b> .....		3
7.2 <b>Data transmission</b> .....		4
7.3 <b>Data format and content</b> .....		4
8 <b>Security and privacy issues</b> .....		4
8.1 <b>Security risk landscape</b> .....		4
8.2 <b>Security strategy</b> .....		4
8.2.1 <b>Accountability and responsibility</b> .....		4
8.2.2 <b>Privacy</b> .....		4
Annex A (informative) <b>Smart lamppost network use cases -- Integrated nodes of infrastructural data exchange and sharing</b> .....		6
Bibliography .....		11
