Foreword iv

Introduction v

1 Scope 1

2 Normative references 1

3 Termsanddefinitions 1

4 Principles 3
4.1 General 3
4.2 Stakeholder inclusiveness 4
4.3 Optimized resource allocation for operations 4
4.4 Harmonization and dissemination of technology for DRR 5
4.5 Robustness and redundancy 5
4.6 Science-based approach 5
4.7 Critical function focus 5
4.8 Structural and non-structural measures 5
4.9 Investment in advance 6
4.10 Response preparedness 6
4.11 Continuous improvement 6

5 General requirements 6
5.1 General 6
5.2 Stakeholder inclusiveness 6
5.3 Optimized resource allocation for operations 7
5.4 Harmonization and dissemination of technology for DRR 7
5.5 Robustness and redundancy 7
5.6 Science-based approach 8
5.7 Critical function focus 8
5.8 Structural and non-structural measures 8
5.9 Investment in advance 8
5.10 Response preparedness 9
5.11 Continuous improvement 9
