Foreword iv

Introduction v

1 Scope 1

2 Normative references 1

3 Termsanddefinitions 1

4 Reactions 1

5 Methodology 2
5.1 Preparation of test sample 2
5.2 Rapid method 2
5.2.1 Applicability 2
5.2.2 Principle 2
5.2.3 Reagents 3
5.2.4 Apparatus 3
5.2.5 Procedure 3
5.3 General method 4
5.3.1 Applicability 4
5.3.2 Principle 4
5.3.3 Reagents 4
5.3.4 Apparatus and materials 5
5.3.5 Procedure 5
5.4 Transmethylation using boron trifluoride (BF3) catalyst 6
5.4.1 Principle 6
5.4.2 Applicability 6
5.4.3 Reagents 6
5.4.4 Apparatus 7
5.4.5 Procedure 8
5.5 Acid-catalysed transmethylation of glycerides 9
5.5.1 Principle 9
5.5.2 Reagents 9
5.5.3 Apparatus 10
5.5.4 Preparation of test sample 10
5.5.5 Procedure 10

Annex A (informative) Thin-layer chromatography method for testing the completeness of derivatization 11
