ISO 19942:2018 (E)

Maize (Zea mays L.) — Specification

Contents

Foreword

1 Scope

2 Normative references

3 Terms and definitions

4 Specifications

- 4.1 General characteristics and sensory properties
- 4.2 Health characteristics
- 4.3 Physical and chemical characteristics
- 4.3.1 Moisture content
- 4.3.2 Bulk density
- 4.3.3 Impurities

5 Sampling

6 Test methods

7 Transportation

Annex A (informative) Indicative list of noxious seeds

- A.1 Toxic seeds
- A.2 Harmful seeds

Annex B (normative) Unacceptable mites and insect pests of stored cereals

Annex C (normative) Determination of impurities

- C.1 Principle
- C.2 Apparatus and equipment
- C.3 Sampling
- C.4 Procedure
- C.5 Expression of results
- C.6 Precision
- C.6.1 General
- C.6.2 Repeatability
- C.6.3 Reproducibility
- C.6.4 Uncertainty
- C.7 Test report

Annex D (normative) Diagram of procedure
