## Guidelines for the harvesting, transportation, separation of stigma, drying and storage of saffron before packi ng

## Contents

Page

Foreword ..... iv

Introduction ..... v

1 Scope ..... 1

2 Normative references ..... 1

3 Termsanddefinitions ..... 1

4 Recommendations ..... 2
4.1 General ..... 2
4.2 Flower harvesting ..... 2
4.2.1 Harvesting time ..... 2
4.2.2 Personnel hygiene ..... 3
4.2.3 Containers ..... 3
4.3 Flower transportation to the processing unit ..... 3
4.3.1 Conditions ..... 3
4.3.2 Duration ..... 3
4.4 Flower separation of stigma ..... 3
4.4.1 Intermediate storage of flowers ..... 3
4.4.2 Personnel hygiene ..... 3
4.4.3 Containers ..... 3
4.4.4 Producing different grades ..... 4
4.5 Flower drying ..... 4
4.5.1 General ..... 4
4.5.2 Drying methods ..... 4
4.5.3 Optimum drying temperature ..... 5
4.5.4 Moisture content ..... 5

5 Packing, marking and labelling ..... 5
5.1 Packing ..... 5
5.2 Marking and labelling ..... 5

6 Storage of dried saffron ..... 5

Bibliography ..... 6
