## Sensory analysis - Selection and training of sensory assessors

---

| <b>Contents</b>    |  | <b>Page</b> |
|--------------------|--|-------------|
| Foreword .....     |  | v           |
| Introduction ..... |  | vii         |
| 1                  | Scope .....  | 1           |
| 2                  | Normative references .....   | 1           |
| 3                  | Terms and definitions .....  | 1           |
| 4                  | Recruitment and preselection of subjects .....                           | 2           |
| 4.1                | General .....  | 2           |
| 4.2                | Recruitment .....  | 4           |
| 4.2.1              | General .....  | 4           |
| 4.2.2              | Recruitment conditions .....   | 4           |
| 4.2.3              | Types of recruitment .....   | 4           |
| 4.2.4              | Advantages and disadvantages of internal and external recruitment .....  | 5           |
| 4.2.5              | Number of persons to be selected .....                                   | 6           |
| 4.3                | Background information and preselection .....                            | 7           |
| 4.3.1              | Initial aspects .....  | 7           |
| 4.3.2              | Health and psychological criteria .....                                  | 7           |
| 4.3.3              | Other factors .....  | 8           |
| 5                  | Sensory screening .....  | 8           |
| 5.1                | General .....  | 8           |
| 5.2                | Types of screening tests .....   | 8           |
| 5.3                | Colour vision .....  | 9           |
| 5.4                | Ageusia and anosmia .....  | 9           |
| 5.4.1              | General .....  | 9           |
| 5.4.2              | Ageusia .....  | 9           |
| 5.4.3              | Odour recognition test .....   | 10          |
| 5.5                | Texture .....  | 11          |
| 5.5.1              | General .....  | 11          |
| 5.5.2              | Analysis and interpretation of results .....                             | 12          |
| 5.6                | Hearing .....  | 12          |
| 5.7                | Descriptive ability .....  | 12          |
| 5.8                | Selection of trainees .....  | 13          |
| 6                  | Training of sensory assessors .....                                      | 13          |
| 6.1                | Principle .....  | 13          |
| 6.2                | General .....  | 13          |
| 6.3                | Assessment procedure .....   | 14          |
| 6.4                | Training exercises .....   | 15          |
| 6.4.1              | Tests for detection of a stimulus .....                                  | 15          |
| 6.4.2              | Tests for discrimination between levels of intensity of a stimulus ..... | 16          |
| 6.4.3              | Descriptive ability .....  | 17          |
| 6.4.4              | Training in the use of scales .....                                      | 20          |
| 6.5                | Specific product training .....  | 22          |
| 6.5.1              | General .....  | 22          |
| 6.5.2              | Discrimination assessment .....  | 22          |
| 6.5.3              | Descriptive assessment .....   | 22          |
| 6.6                | Particular methods training .....  | 23          |

|       |   |    |
|-------|---|----|
| 6.6.1 | Principle .....   | 23 |
| 6.6.2 | Discrimination assessments .....  | 23 |
| 6.6.3 | Ranking assessment .....  | 23 |
| 6.6.4 | Rating and scoring .....  | 23 |
| 6.6.5 | Descriptive sensory analysis .....  | 23 |
| 6.7   | Practice .....  | 24 |
| 7     | Validation of sensory panel performance and training effectiveness .....      | 24 |
| 8     | Management and follow-up of the group .....                                   | 25 |
| 8.1   | Motivation .....  | 25 |
| 8.2   | Maintaining of skills .....   | 25 |
| 8.3   | Renewal .....   | 25 |
| 8.4   | Retraining .....  | 26 |
| 8.5   | Additional training .....   | 26 |
|       | Annex A (informative) Alternative colour screening procedure .....            | 27 |
|       | Annex B (informative) Recognition of difference in textures .....             | 29 |
|       | Annex C (informative) Cleansers and palate cleansers .....                    | 30 |
|       | Annex D (informative) Examples of most common scales .....                    | 32 |
|       | Annex E (informative) Example of a scaling exercise .....                     | 33 |
|       | Annex F (informative) Example of a ranking and then rating using scales ..... | 35 |
|       | Annex G (informative) Example of a scaling test with two standards .....      | 36 |
|       | Bibliography .....  | 37 |
