Foreword iv

Introduction v

1 Scope 1

2 Normative references 1

3 Terms and definitions 1

4 Description 2

5 Classification and requirements 2
5.1 Classification 2
5.2 Requirements 2
5.2.1 General requirements 2
5.2.2 Class requirements 2
5.2.3 Insects, moulds, mites, etc 3
5.2.4 Sulfur dioxide content 3

6 Tolerances 4
6.1 Extra class 4
6.2 Class I 4
6.3 Class II 4
6.4 Class III 4

7 Hygiene contaminants and pesticides residues 4

8 Sampling and test method 4
8.1 Sampling 4
8.2 Sensory inspection 4
8.3 Determination of moisture content 4
8.4 Determination of sugar content 4
8.5 Determination of sulfur dioxide content 4

9 Test report 5

10 Packaging and labelling 5
10.1 Packaging 5
10.2 Labelling 5

11 Storage and transportation 5
11.1 Storage 5
11.2 Transportation 6

Annex A (informative) Size classification of main dried jujube varieties 7

Annex B (normative) Determination of sugar content 8

Annex C (normative) Determination of moisture content 11
